[G] Strange and **[D]** beautiful are the **[Em]** stars to-**[D]**night
[G] That **[D]** dance around your **[Em]** head
[G] In your **[D]** eyes I see that **[Em]** perfect **[D]** world
[G] Hope that **[D]** doesn't sound too **[Em]** weird

[C] And I want all the **[D]** world to know **[G]** ↓↓↓
[C] That **[D]** your love's all I **[Em]** need, all that I **[D]** need **[Dsus4]**

[D][Dsus4] And if we're **[G]** lost **[D]**
[Em] Then **[C]** we are lost to-**[D]**gether **[Dsus4]**
[D][Dsus4] Ye-ah if we're **[G]** lost **[D]**
[Em][C] We are lost to-**[D]**gether **[Dsus4]/[D][Dsus4]/**

[G] I stand be-**[D]**fore, this **[Em]** faceless **[D]** crowd
[G] I wonder **[D]** why, I **[Em]** bother
[G] So much con-**[D]**trolled **[Em]** by so **[D]** few
Stumbling **[G]** from one dis-**[D]**aster, to a-**[Em]**nother

[C] I've heard it all so many **[D]** times before **[G]** ↓↓↓
[C] It's all a **[D]** dream to me **[Em]** now, a dream to me **[D]** now **[Dsus4]**

[D][Dsus4] And if we're **[G]** lost **[D]**
[Em][C] we are lost to-**[D]**gether **[Dsus4]**
[D][Dsus4] Ye-ah if we're **[G]** lost **[D]**

[G]↓ 2 3 4 / 1 In the **[D]**↓ silence of this **[Em]**↓ whispered **[D]**↓ night
[G]↓ I listen **[D]**↓ only to your **[Em]**↓ breath
[G]↓ In that **[D]**↓ second of a **[Em]**↓ shooting **[D]**↓ star
Some-**[G]**↓how it **[D]**↓ all makes **[Em]**↓ sense

[C] And I want all the **[D]** world to know **[G]** ↓↓↓
[C] That **[D]** your love's all I **[Em]** need, all that I **[D]** need **[Dsus4]**
