[D] Woah-[A]oh, woah-[Bm]oh, woah-[G]oh

[D] Here is my new song, and [A] it didn't take long  
[Bm] It's not a cover, I [G] hope you won't bother  
It's [D] not karaoke, I'm [A] keeping it low key  
Well [Bm] I'm not a psychic, but I [G] hope that you like it

[D] Here it goes now [A] don't make me nervous  
'Cause [Bm] all I've got's a [G] few random verses  
I [D] hope it gets you [A] under the surface  
I [Bm] tried my best 'cause you [G]↓ really deserve it

[D] Woo, oo-oo-oo-[A]ooh, I want to live for the [Bm] moments  
That are [G] gone before we're thinking a-[D]bout them  
I'm singing [A] this 'cause we'd be nothing with-[Bm]out them  
And this is my [G] anthem, yeah-ah

[D] Woo, oo-oo-oo-[A]ooh, I want to live for the [Bm] feelings  
That could [G] live in this life of [D] meaning  
I'm singing [A] this 'cause we'd be nothing with-[Bm]out them  
And this is my [G] anthem, yeah-ah

[D] Maybe it's tacky, this [A] song makes me happy  
Will [Bm] you sing it with me? [G] Possibly maybe  
If [D] you think it's cheesy, if [A] you're singing off-key  
It [Bm] won't matter to me, 'cause [G] I'm feeling sunny

[D] Here it goes now [A] don't you get nervous  
'Cause [Bm] all we got is a [G] few random verses  
I [D] know it'll get you [A] under the surface  
It [Bm] can't go wrong 'cause [G]↓ nobody's perfect
