

## **Baby One More Time – Britney Spears**

[Em] Oh baby baby, how [Bm] was I supposed to [G] know  
That [Am] something wasn't [B7] right here  
[Em] Oh baby baby, I [Bm] shouldn't have let you [G] go  
And [Am] now you're out of [B7] sight, yeah  
[Em] Show me how you want it [Bm] to be  
Tell me [G] baby, 'cause I need to [Am] know now, [B7] oh because

### **Chorus:**

[Em] My loneliness is [B] killing me, (and I)  
[G] I must confess I [Am] still believe [B7] (still believe)  
[Em] When I'm not with you I [B] lose my mind  
Give me a [G] sign – [Am] hit me baby [Bm] one more time

[Em] Oh baby baby, the [Bm] reason I breathe is [G] you  
[Am] Boy you got me [B7] blinded  
[Em] Oh pretty baby, there's [Bm] nothing that I wouldn't [G] do  
[Am] It's not the way I [B7] planned it  
[Em] Show me how you want it [Bm] to be  
Tell me [G] baby, 'cause I need to [Am] know now, [B7] oh because

[Em] My loneliness is [B] killing me, (and I)  
[G] I must confess I [Am] still believe [B7] (still believe)  
[Em] When I'm not with you I [B] lose my mind  
Give me a [G] sign – [Am] hit me baby [Bm] one more time

[Em] Oh baby baby, how [B7] was I supposed to [G] know  
[Am] [B7]  
[Em] Oh pretty baby I [B7] shouldn't have let you [G] go [Am][Bm]

### **Bridge:**

[B] I must con-[Em]fess that my loneli-[Bm]ness is killing me [G] now  
Don't you [Am] know I [B7] still believe [Em]  
That you will be [Bm] here  
And give me a [G] sign  
[Am] Hit me baby [Bm] one more time

### **Chorus:**

[Em] My loneliness is [B] killing me, (and I)  
[G] I must confess I [Am] still believe [B7] (still believe)  
[Em] When I'm not with you I [B] lose my mind  
Give me a [G] sign – [Am] hit me baby [Bm] one more time [Em]

(Written by Max Martin for TLC but rejected. Recorded as a single by Britney Spears, & released on her 1998 debut album, which took its name from the song.)
