Traditional

INTRO: 1 2 / 1 2 /

[G]/[Em]/[G]/[Em]

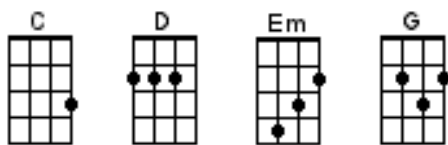

If I had [G] wings, like [C] Noah's [G] Dove [G]
I'd fly up the [Em] river [C] to the one I [D] love [D]
Fare thee [G] well, oh [Em] honey [Em]
[C] Fa-[D]re thee [G] well [Em]/[G]/[Em]

The woman I [G] love, is [C] long and [G] tall [G]
She moves her [Em] body [C] like a cannon-[D] ball [D]
Fare thee [G] well, oh [Em] honey [Em]
[C] Fa-[D]re thee [G] well [Em]/[G]/[Em]

Early one [G] morning, [C] drizzling [G] rain [G]
And in my [Em] heart, I [C] felt an aching [D] pain [D]
Fare thee [G] well, oh [Em] honey [Em]
[C] Fa-[D]re thee [G] well [Em]/[G]/[Em]

One of these [G] mornings, it [C] won't be [G] long [G]
You'll call my [Em] name [C] and I'll be [D] gone [D]
Fare thee [G] well, oh [Em] honey [Em]
[C] Fa-[D]re thee [G] well [Em]/[G]/[Em]

If I had [G] wings, like [C] Noah's [G] Dove [G]
I'd fly up the [Em] river [C] to the one I [D] love [D]
Fare thee [G] well, oh [Em] honey [Em]
[C] Fa-[D]re thee [G] well [Em]/[G]/[Em]↓
