INTRO: / 1 2 / 1 2 / [Gm]↓↓ / [Gm]↓↓

In the [Gm] town of Wuhan, some germs from an animal
[F] Made a big leap and infected a few
[Gm] Nobody thought it would be a pandemic
And [Gm] now the whole world's in a [F]↓ hullaba-[Gm]↓loo / [Gm]↓↓ / [Gm]↓↓

It [Gm] didn't take long for the germs to go global
In [F] planes and trains and cruises by sea
Now [Gm] locked in our homes and trying to stay sober
We [Gm] can't even watch the live [F]↓ sports on T-[Gm]↓V

[Gm] Six long months in [F] isolation
[Gm] Six long months doin' [Dm] nothin' at all
[Gm] Six long months in [F] isolation
This [Gm] lockdown is driving me [F]↓ up the [Gm]↓ wall

I [Gm] tried to go out, got sent back in again
[F] I went out again, straight back in again
[Gm] Sick to death of this social distancin'
[Gm] Finish the lockdown for [F]↓ once and for [Gm]↓ all / [Gm]↓↓ / [Gm]↓↓

The [Gm] experts say keep two meters distance
And [F] never to gather in couples and groups
And [Gm] eatin' at home is a feekin' disaster
I'm [Gm] fat as a fool eatin' [F]↓ pasta and [Gm]↓ soups / [Gm]↓↓ / [Gm]↓↓

Now [Gm] in the U.K. the virus was active
And [F] got the Prime Minister in Number 10
I [Gm] hope Boris Johnson recovers completely
So [Gm] that we can call him a [F]↓ dickhead a-[Gm]↓gain

[Gm] Six long months in [F] isolation
[Gm] Six long months without [Dm] toilet roll
I [Gm] wish to God I had [F] constipation
Be-[Gm]cause I have nothin' for [F]↓ wipin' me [Gm]↓ hole

I [Gm] tried to go out, got sent back in again
[F] I went out again, straight back in again
[Gm] Sick to death of this social distancin'
[Gm] Finish the lockdown for [F]↓ once and for [Gm]↓ all / [Gm]↓↓ / [Gm]↓↓

Now **[Gm]** Trump took it lightly, there's no need to panic
We're **[F]** under control sure 'tis only a flu
He **[Gm]** finally did what he promised the voters
A-**[Gm]**merica first in the **[F]**↓ infections **[Gm]**↓ too

[Gm] Three long years with **[F]** Trump as President
[Gm] Three long years doin' **[Dm]** nothin' at all
[Gm] Talkin' shite and **[F]** blamin' China
While **[Gm]** Mexico begs him to **[F]** finish the **[Gm]**↓ wall

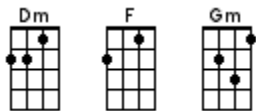

I **[Gm]** tried to go out, got sent back in again
[F] I went out again, straight back in again
[Gm] Sick to death of this social distancin'
[Gm] Finish the lockdown for **[F]**↓ once and for **[Gm]**↓ all / **[Gm]**↓↓ / **[Gm]**↓↓

The **[Gm]** end is in sight and the curve it is flattening
[F] Lifting the lockdown is yet to be seen
[Gm] Washing your hands and stayin' at home
Is the **[Gm]** only solution for **[F]**↓ Covid Nine-**[Gm]**↓teen

[Gm] Six long months in **[F]** isolation
The **[Gm]** planet has never looked **[Dm]** greener before
But **[Gm]** back to the grind, to **[F]** pay off the mortgage

< **SLOW** >

The **[Gm]**↓ world just won't be the **[F]**↓ same any-**[Gm]**↓more
