**INTRO: 1 & 2 & (C riff)/[F]/  
[C](riff)/[F]/  
[C](riff)/[F]**

Well I know there's a [C] reason (riff)  
[F] And I know there's a [C] rhyme (riff)  
[F] We were meant to be to-[C]gether  
And that's [Dm] why / [Gsus4]↓ (riff)

[F] We can roll with the [C] punches (riff)  
[F] We can stroll hand in [C] hand (riff)  
[F] And when I say it's for-[C]ever  
You under-[Dm]stand / [Gsus4]↓

## CHORUS:

That you're always in my [F] heart  
You're always on my [C] mind  
And when it all becomes too [F] much  
You're never far be-[C]hind  
And there's no one that comes [Am] close to you  
Could [Em] ever take your [D7] place  
'Cause only [F]↓ you can love me, this [Gsus4]↓ way (riff)/[F]/

**[C](riff)/[F]**

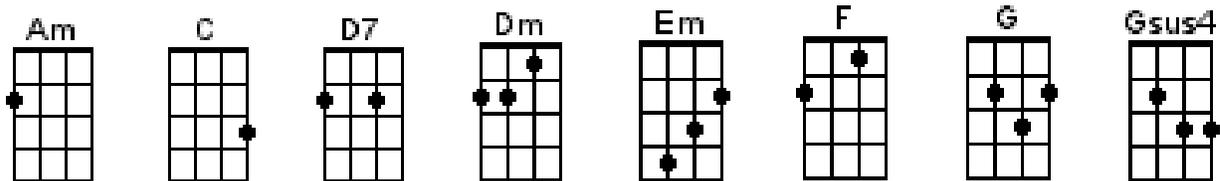

I could have turned a different [C] corner (riff)  
[F] I could have gone another [C] place (riff)  
[F] Then I'd 've never had this [C] feeling  
That I feel to-[Dm]day, yeah / [Gsus4]↓
