**INTRO: 1 & 2 & (D riff)/[G]/  
[D](riff)/[G]/  
[D](riff)/[G]**

Well I know there's a [D] reason (riff)  
[G] And I know there's a [D] rhyme (riff)  
[G] We were meant to be to-[D]gether  
And that's [Em] why /[Asus4]↓ (riff)

[G] We can roll with the [D] punches (riff)  
[G] We can stroll hand in [D] hand (riff)  
[G] And when I say it's for-[D]ever  
You under-[Em]stand /[Asus4]↓

## CHORUS:

That you're always in my [G] heart  
You're always on my [D] mind  
And when it all becomes too [G] much  
You're never far be-[D]hind  
And there's no one that comes [Bm] close to you  
Could [F#m] ever take your [E7] place  
'Cause only [G]↓ you can love me, this [Asus4]↓ way (riff)/[G]/

## [D](riff)/[G]

I could have turned a different [D] corner (riff)

[G] I could have gone another [D] place (riff)

[G] Then I'd `ve never had this [D] feeling

That I feel to-[Em]day, yeah /[Asus4]↓

### CHORUS:

And you're always in my [G] heart

You're always on my [D] mind

And when it all becomes too [G] much

You're never far be-[D]hind

And there's no one that comes [Bm] close to you

Could [F#m] ever take your [E7] place

`Cause only [G] you can love me, this [Asus4] way /[A]/[Bm]/[A]↓

### CHORUS:

And you're always in my [G]↓ heart

You're always on my [D]↓ mind

And when it all becomes too [G]↓ much

You're never far be-[D]↓hind

And there's no one that comes [Bm] close to you

Could [F#m] ever take your [E7] place

`Cause only [G] you can love me, this [Asus4] way /[A]↓(riff)/[G]/
